

PARM GILL

MPP - Milton

February 26, 2021

To His Excellency, Sasayama Takuya, Consul-General of Japan,

Thank you for recognizing the truly incredible work that the Tiger Jeet Singh Foundation does for our community and abroad. As an organization dedicated to giving back, Tiger Jeet Singh and Tiger Ali Singh promote both charity and culture by supporting and promoting community work in Milton and across Ontario.

They are a foundation that brings people together through food drives, educational events for our youth like arts and crafts, festivals, and other charitable services.

The Tiger Jeet Singh Foundation represents the very best of our community. Their incredible work truly improves the lives of everyone. This has been a challenging year, but, with their help, Milton continues to be the best place to live, work, and raise a family.

As the MPP for Milton, I want to sincerely thank the Tiger Jeet Singh Foundation for all they have done, and continue to do, to support our community.

Thank you.

Parm Gill, MPP
Milton
